

# Crisis Café Grants

## Appendix 1

VAL is working in partnership with the NHS CCG's to disseminate these grants to groups across Leicester Leicestershire and Rutland.

### Where will the Crisis Cafés be established?

There are currently 4 cafes across Leicester, Leicestershire and Rutland; one in Market Harborough, one in the city and two in Loughborough. The intention is to rollout additional cafes until there are approximately 25 in total by 2023/24.

### Primary Care Networks

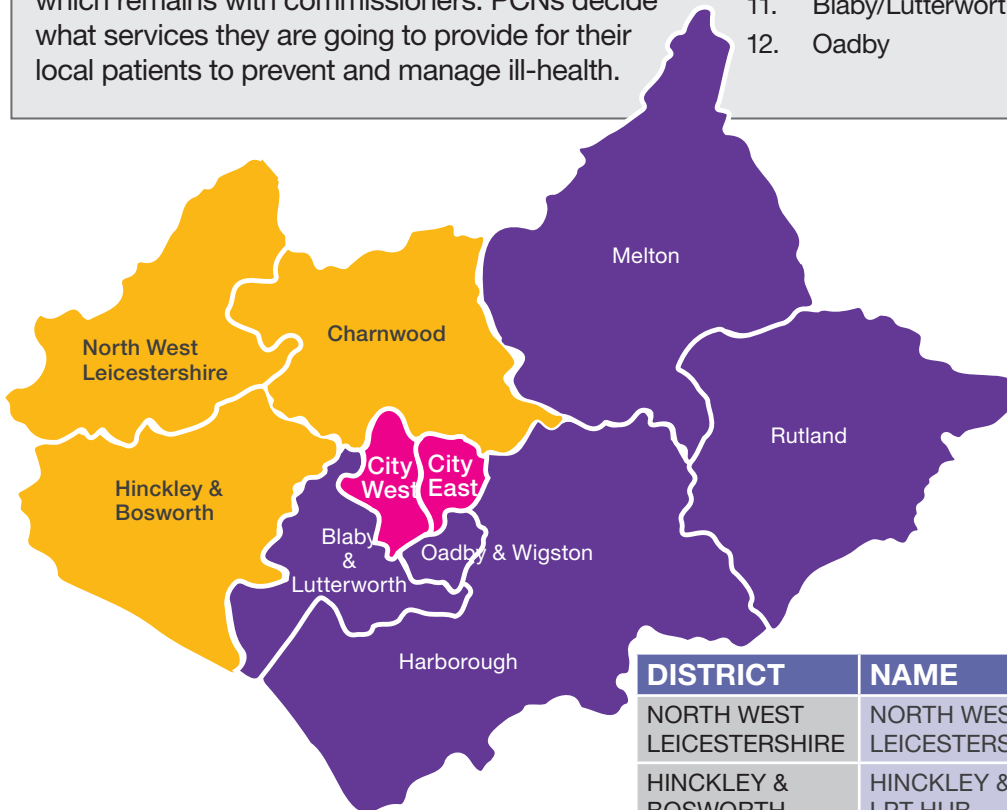

From July 2019, GP practices began working in Primary Care Networks (PCNs) serving between 30,000-50,000 patients collaborating with health, social care and voluntary sector partners.

PCNs focus on service delivery, rather than on the planning and funding of services, responsibility for which remains with commissioners. PCNs decide what services they are going to provide for their local patients to prevent and manage ill-health.

There are 25 PCNs covering Leicester, Leicestershire and Rutland, these are detailed on page 2.

The aim is to have at least one crisis café running in each of the PCN areas once a week. Our priority for round 1 and the first panel is to focus on the areas listed below:

1. DeMontfort Uni
2. Loughborough Uni
3. University of Leicester
4. Coalville
5. Melton
6. Rutland
7. Hinckley
8. East of City (Belgrave & Spinney)
9. Aylestone
10. West end (City)
11. Blaby/Lutterworth
12. Oadby

We will still continue to accept applications from across the the rest of Leicester, Leicestershire and Rutland which cover the PCN's not identified in the current priority list.

If you are unsure about the area or which PCN you are in please do not hesitate to contact us.
